Mr. Henning: There is no such thing as right to farm. And here comes this stinking bastard with another load of his terrorist shit maneuvre with human shit in it and running it down my line. And that's a violation of my civil rights, do you hear me? That is a violation of my civil rights for two and a half years. There is no such thing as a right to farm. That's unconstitutional. Now, you don't have to take my word for it. You can ride down Beacher Road and you'll see shit all over. And I got a neighbor that says he's gonna take care of this person, so if you wanna send a trooper down here to talk with me that will be fine. But, ah, my neighbor is very, very irate. And you Farm Bureau suck ass sons of bitches, worthless, suck ass farm bureau sons of bitches, better get your ass in gear.
